1. Miracle Day 2007 Needs Help!

Although Miracle Day 2007 is 4 months away, the Miracle Day Committee needs your help now with the following:

By June 30th, we need congregations to identify a local volunteer coordinator who will promote Miracle Day, sign-up volunteers and collect contributions. Information packets will be sent to the local coordinators in July. If you are willing to serve in this way, e-mail Greg Summers at gsummers@blmfcc.org.

We need approximately 15 volunteers who are willing to be work area supervisors on Miracle Day. If you have construction experience and good people skills and would be willing to serve in this way, e-mail Neil Sallee **by June 30th** at neil.sallee1@verizon.net

Financial contributions from individuals and congregations are needed so that we know we have the funds to purchase the necessary construction materials and supplies. Has your congregation organized a fund raiser? Donations should be sent to the Regional Office.

With your help, Miracle Day 2007 at Camp Walter Scott will be a success! If you have questions or would like more information, you can check the CCIW website or contact Doris Carter, Miracle Day Project Manager, at dcarter340@aol.com
