## **Join Your Regional Staff As We Explore New Possibilities Together!**

As you may know, these are changing times in the life of our Region. We are making significant adjustments.

We are excited about the gift of time we have as a Region to explore a new design for ministry together. Your conversations and ideas are needed to help us in that process.

Coffee & Conversation meetings are being scheduled throughout the CCIW Region during October 2007. We invite you to join us as we explore the exciting possibilities for our future in ministry together.

Please go to our CCIW Website (<http://www.cciwdisciples.org>) for the full information, schedule and location of meetings.
